

Our educational program emphasizes the basic skills; Reading and Writing, Mathematics, Science, and Social Studies. Beyond the core curriculum, many challenging, special programs are available to our students; Spanish, both choral and instrumental Music, Art, Drama, Computer literacy, physical education, and library skills.

We also offer enrichment programs which offer tailored instruction based on interest and ability. The Discovery Program helps students develop skills in problem solving, creative writing, critical thinking, literacy analysis, research, and general learning. We also offer a chess club, yearbook design, and a math challenge group so students can showcase

The Our Lady of Angels School faculty and staff strive every day to give each child the personal attention and encouragement necessary to achieve his or her greatest potential. Our instruction and curriculum stimulate thought and inspire our children to succeed. At the outset of your child's education, he or she will begin to learn and practice social responsibility as well as respect for self and others because of the Christian learning environment provided at Our Lady of Angels School.

*Our Lady of Angels School
Welcomes You*

Our Lady of Angels School combines academic excellence with moral and spiritual guidance. We integrate Catholic principles and values into our daily instruction.

Our Lady of Angels is an alternative to public schooling. We have a professional and dedicated staff. We provide the highest quality and most challenging academic program. We offer instruction in Christian values and the Catholic faith. Our Lady of Angels School is committed to excellence in Catholic Education.

Making your child's education our priority

Creating and maintaining the highest standards of excellence in Catholic values, education, and student development is our guiding mission at Our Lady of Angels School. Our curriculum is in accordance with the guidelines set forth by the Office of Catholic Education of the Diocese of Cleveland and the state of Ohio. In addition, we provide a variety of programs which include computers, drug and alcohol prevention, Title 1 Reading and Math, gifted and talented, health, speech, and psychological services.

The success of our program is based on you, the parent, becoming an involved partner. Working together, we can provide our children the most complete education by doing more than teaching just facts. We can also teach our children how to use their knowledge for effective decision-making, both at home and at school, now and in the future.

*Our Lady of Angels School
Providing a community in
which we grow together
spiritually and academically*

We are very proud of Our Lady of Angels School and the educational program it offers you, your children, and our community. You are encouraged to visit us often and see for yourself the wonderful work we accomplish every day as we shape the lives of our children.
